

AUTUMN 2 KS1 WHOLE SCHOOL HOMEWORK

FOCUS: How can we help to look after and keep Dexter, the school dog, and myself safe?

As you know from our previous communication, we are introducing Dexter the Dog to our school community. As a way of introducing children to him slowly and safely, we have worked with PDSA and Battersea Dogs & Cat Home to create weekly homework for children to complete.

WEEK	ACTIVITY	COMPLETED
1	Create a welcome poster for Dexter - <i>You can include kind messages and lovely pictures showing Dexter our school.</i>	
2	Design a safe habitat (home) for Dexter <i>Where can Dexter stay? How can it be safe when at Laycock?</i>	
3	Write a list of rules on 'How to look after Dexter'.	
4	Invention - Make/design Dexter a new toy to enjoy. <i>How will Dexter's new toy work?</i>	
5	Design a new winter outfit (hat/scarf/coat) for Dexter.	
6	Write a postcard, card or letter to Dexter to welcome him to the school and introduce yourself. <i>We will collect these messages and put them in his new office to welcome him on his first day!</i>
